Virtual Bridging Guide for Leaders

Girl Scouts of California's Central Coast has created a [video](#) of CEO Tammie Helmuth, as well as Girl Scouts of multiple levels, conducting an opening message that can be used for your very own GSCCC Virtual Bridging!

While we know that you may not be able to have a traditional bridging ceremony, there are still plenty of ways to make your own bridge at home! Please see the pictures below for examples:

We understand that leaders and parents may not be able to purchase the corresponding insignia at this time due to many reasons, but we encourage everyone to go into one of our retail stores when the time is right! Our retail staff miss seeing everyone's smiling faces, and they are looking forward to your visits when all stores are able to reopen. Corresponding insignia can also be purchased [online](#).

The **Girl Scout Bridging Guide** can be found [here](#).
