What & How

Event Details:

Stepping Out is a mandatory course designed to prepare adult volunteers, both leaders and troop caregivers in the supervision of girls outside of the regular meeting. After completing this course, you will be equipped with the skill necessary to safely and effectively lead girls to step out into the world through fieldtrips and travel. This course is also a stepping stone between a regular troop meeting and wider outdoor experiences. This course covers the skills and planning steps so adults can provide girls with safe and enjoyable daytime experiences outside the meeting place.

This class will be taught in person.

The [California Blueprint for a Safer Economy](#) is the basis for permitting in-person activities hosted by volunteers. Parents and volunteers should consult this guidance to decide whether or not to attend an in-person Girl Scout meeting or event or to allow their girl attend.

EVENT FEE: \$6.00
